WHAT IF...

No matter how well-planned your trip may be, unexpected problems can inconvenience your travel plans. These are a few scenarios where having travel insurance would be important.

You are involved in a **TRAFFIC** accident after trying to avoid a tire in the road while on your way to the airport, causing you to miss your flight.

Your family's beach vacation is interrupted when an incoming **HURRICANE** causes mandatory evacuations along the coast.

Despite your best efforts, both of the kids get **SICK** the day before you are supposed to leave for your trip, causing you to cancel your vacation plans.

The connecting flight you were waiting for is indefinitely **DELAYED**, leaving you stranded at the airport overnight looking for a hotel.
